Report on One Day Conference

People's Education Society's [Mumbai]

Dr. Ambedkar College of Law

Nagsenvana, Aurangabad-41002

(Affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad)

One Day International Conference on

"Fundamental Aspects of Human Liberty and Freedom of Expression"

Date- 7th May, 2022 Time- 10 am. to 5:00 pm.

The true law giver of India, a great jurist, the chief architect of Indian constitution articulated his thoughts about liberty and freedom in a different manner as "Freedom of mind is the real freedom. A person, whose mind is not free though he may not be in chains, is a slave, not a free man. One whose mind is not free though alive, is not better than dead. Freedom of mind is the proof of one's existence".

Our college have to conduct one day International Conference on the Fundamental aspects of 'Human Liberty and freedom of expression'. Liberty is the intrinsic aspect of human life. The international community has recognized liberty through various international instruments such as United Nations Charter, Universal Declaration of Human Rights,

International Covenant on Civil and Political Rights, International Covenant on Economic social and cultural rights, etc. considering the objectives of United Nations, and in order to promote the individual liberty and freedoms the respective nations also have embodied these principles in the respective constitutions. Today's world has witnessing the major threats to the human liberty and freedom of expression. In the high technological development the computer era has become a challenging task in front of the entire world to protect the liberty and freedom of individuals. Hence discussion on the issue is required at the international level. Therefore we have invited papers from scholars, teachers, professors, and students.

THE SUB THEMES WERE:

- Ambedkar's thoughts on liberty
- Freedom of expression vis-à-vis sedition law.
- Right to privacy vis-à-vis right to liberty in internet age.
- Freedom of speech and expression in the age of social media.
- Human liberty and freedom of expression in International Law.
- Future of liberty and cyber laws around the world.

Total number of participants – 125

Total numbers of papers submitted by participant – 55
